

## 3<sup>RD</sup> KOREA FINTECH WEEK TO BE HELD IN MAY

The FSC announced its plans to hold the 2021 Korea Fintech Week from May 26 to 28 under the theme of “fintech and sustainable financial innovation.” The third annual global fintech expo will kick off its first day at Conrad Seoul with live streaming of onsite activities available online and then move on to exclusively virtual events for the second and third days.

The offline to online (O2O) availability of diverse promotional, vocational, educational and networking programs and opportunities will help boost awareness on fintechs and accelerate financial innovation.

### **KEY FEATURES**

**(USER EXPERIENCE)** More dynamic and engaging programs will be prepared for online visitors with real-time Q&As and communication made possible.

**(JOB FAIR)** Fintech job talks will be held to offer real-time Q&A opportunities to fintech job seekers.

**(INVESTMENT)** More fundraising opportunities will be available for fintechs through IR and venture capital consulting programs.

**(EDUCATION)** Online educational programs will be offered with certificates

### **REGISTRATION & SCHEDULE**

Preliminary application for participating firms will be open from the third week of March and pre-registration will be available from the first week of May from the Korea Fintech Week website ([www.fintechweek.or.kr/2021](http://www.fintechweek.or.kr/2021)). Viewing is free for students and the general public.

In November this year, the FSC plans to hold an additional global fintech expo offline if the coronavirus conditions are permissible.
